

Measuring Range up to ± 300.000 nT!

BORE HOLE DETECTOR VXB3

Only one operator necessary!!

borehole plan

- 42 not yet detected
- 36 borehole selected for data acquisition
- 22 borehole already detected*
- 20 borehole already detected*
- 28 borehole already detected*
- 21 borehole already detected*

*) max. measuring value colour corresponding to colour scale in nT

curve of measuring values
